what really
counts are
good endings
not flawed
beginnings.

That is my major
preoccupation,
memory, the kinhdom
of memory. I want to
protect and enrich that
kingdom, glorify that
kingdom and serve it

There are quite a lot of
people who think my
aspirants are not
possible. That"s a good

attitudes.

**Your appearance
shouldn't what I
like, the contrast
between people
looking like the
opposite of what
they truly are deep
inside.**

If you are willing to look at
another person's behavior
towards you as a reflection
of the state of their
relationship with
themselves rather them a
statement about your value
as a person, then you will
over a period of time cease
react at all.
